

Features

- · 5"×3" compact size
- Medical safety approved (2 x MOPP) accroding to ANSI/AAMI ES60601-1 and IEC/EN60601-1
- · Suitable for BF application with appropriate system consideration
- · 72W convection, 100W force air
- EMI class B for class I configuration
- · Extremely low leakage current
- · Protections: Short circuit / Overload / Over voltage
- · Lifetime > 140K hours
- · 3 years warranty

Applications

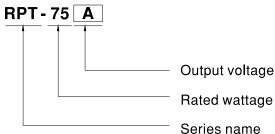

- · Oral irrigator
- Hemodialysis machine
- Medical computer monitors
- Sleep apnea devices

Description

RPT-75 is a 72W highly reliable PCB type medical power supply with a high power density on the 5" by 3" footprint. It accepts $90\sim264$ VAC input and offers triple output voltages .

RPT-75 is able to be used for Class $\, {
m I} \,$ system design. The extremely low leakage current is less than 150 μ A. In addition, it conforms to international medical regulations (2*MOPP) and EMC EN55011.

| | PACKING | ully mentioned are measured at 230VAC input, rated load and 25°C of ambient temperature. | | | | | | | | |

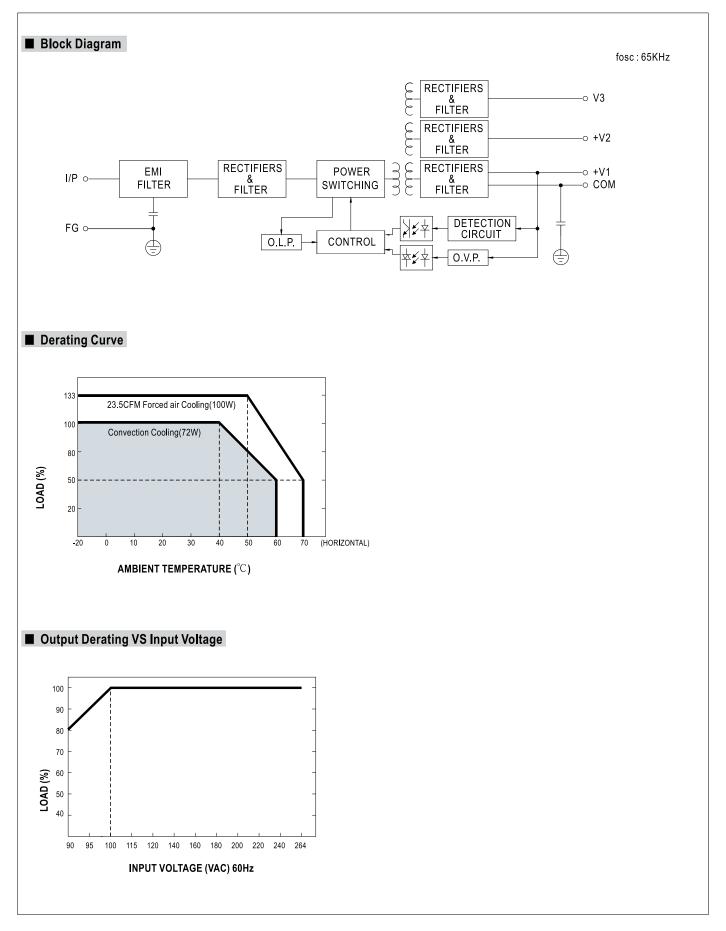

- Ripple & noise are measured at 20MHz of bandwidth by using a 12" twisted pair-wire terminated with a 0.1 #f & 47 #f parallel capacitor.
- 3. Tolerance : includes set up tolerance, line regulation and load regulation.
- 4. Touch current was measured from primary input to DC output.

 5. The ambient temperature derating of 3.5°C/1000m with fanless models and of 5°C/1000m with fan models for operating altitude higher than 2000m(6500ft).
 - 6. Length of set up time is measured at cold first start. Turning ON/OFF the power supply may lead to increase of the set up time.
 - 7. Heat Sink HS1,HS2,HS3 can not be shorted.

NOTE

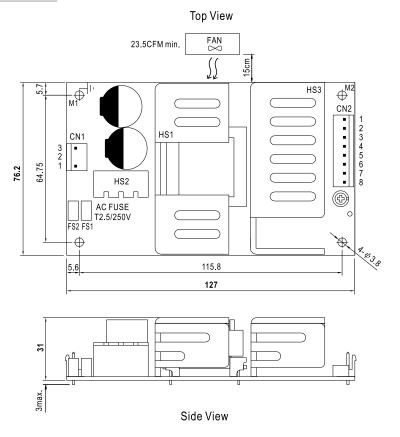

8. The power supply is considered a component which will be installed into a final equipment. All the EMC tests are been executed by mounting the unit on a 360mm 360mm metal plate with 1mm of thickness. The final equipment must be re-confirmed that it still meets EMC directives. For guidance on how to perform these EMC tests, please refer to "EMI testing of component power supplies."
